7th January 2020

Dear Parent/Carer

The Mathematics department at Bilton School will be taking part in 'The Team challenge' organised by Explore Learning.

A number of schools across Rugby will be taking part, with each team tackling a never-before seen problem created by the NRICH project from the University of Cambridge. The top five teams will go on to participate in the Grand Final at the Natural History Museum in London.

I am pleased to invite your son/daughter to represent Bilton School on Wednesday 15th January between 12pm and 2pm at the Explore Learning Centre in Rugby. Pupils will travel via minibus, accompanied by a member of the maths team, and will return to school no later than 2.30pm. Students will be required to bring a packed lunch for the trip. If your son/daughter is entitled to free school meals a packed lunch can be provided on request.

If you would like your son/daughter to participate in this visit, please sign and return the permission slip attached to the Finance Office by Wednesday 8th January 2020.

Yours sincerely

Mrs C McGuigan
Head of Mathematics
Bilton School

Please return to the Finance Office by Wednesday 8th January 2020.
