

**Overview:** This is an overview of the lessons we are setting for Term 4: week 1 and week 2 will be remote learning and week 3 to week 6 will be face to face.

**Week 1 and week 2:** the overview shows the themes covered and what we would like the students to achieve. Resources (with all the key vocabulary) are uploaded on classcharts. The isolation booklet will include all the key vocabulary and structures introduced in the term and will be handed out to students when they are back in school.

**Week 3-Week 6:** Students are back in school. The overview shows the themes to cover and what we would like the students to achieve at the end of each week.
